As you begin to consider your higher education options, we invite you to visit us at NMSU and discover why we are one of America’s Top Colleges.

At NMSU, our welcoming and supportive campus community transforms lives through discovery, and I know this firsthand. I, too, experienced this transformation. As an undergraduate student many years ago, I had no idea what my future held. I was fortunate to attend a school where the campus community was focused on student success. The faculty didn’t know at the time, but they were preparing me to be the governor of the state of New Mexico, a successful businessperson and now the president of this great institution.

Now, imagine what you can achieve! Here, you will find dedicated mentors and supportive faculty who care about your success. You will discover a high-quality education that will prepare you for your future careers. We are all in this together – faculty, staff and students – because we know getting a degree is a challenge. This academic journey takes commitment and effort, and the NMSU community will be by your side every step of the way.

We also encourage our students to reach further and aspire to graduate in four years. Through effort, the use of our numerous resources and with the guidance of our caring faculty, you can do that at NMSU. Not only will you receive special recognition, but you will also get a head start to transforming your life.

Become part of the Aggie family! Together, we can make your dreams come true.

Sincerely,

Garrey Carruthers, Ph.D.
President
Las Cruces is on the edge of the Chihuahuan Desert, at the foot of the Organ Mountains and nestled within the Mesilla Valley.

- A growing city and popular Southwestern destination, Las Cruces is at the crossroads of interstates 10 and 25, making it the ideal location for year-round visitors.
- 2016 Runner Up for the “Best Sustainable Community”
- Residents and visitors alike enjoy more than 300 days of sunshine per year—perfect weather for outdoor activities, such as golfing, hiking, biking, camping and boating,
- You can reach a variety of spectacular destinations within a day’s drive.

Las Cruces is a world leader in Chile Pepper research.

- 45 MINUTES from the Texas border
- 1 HOUR from White Sands National Monument and Elephant Butte Lake
- 2.5 HOURS from Ski Apache in Ruidoso, N.M., and the Gila Wilderness
- 3 HOURS from Carlsbad, N.M., and Albuquerque, N.M.
- 4 HOURS from Tucson, Ariz.

- Our friendly and welcoming community offers a variety of opportunities to enjoy arts, theater, music and dance, in addition to an exciting and eclectic mix of restaurants.
- In Las Cruces, boredom is not an option. You can always find a festival or fiesta on the calendar, such as the Renaissance ArtsFaire, the Las Cruces Country Music Festival and the Southern New Mexico State Fair and Rodeo, just to name a few.
At NMSU, we encourage you to spread your wings, open up your mind and explore paths that have never been taken. We want you to discover who you are and, along the way, find out who you want to be. What’s your passion? Art? Business? Engineering? Health? No matter the discipline, rest assured you will gain a top quality education at NMSU.

UNDERGRADUATE ADMISSIONS

Your journey as an Aggie begins today! The information on these pages will help you prepare for your next steps. Keep in mind that we are here to answer any questions you may have.

Go online to admissions.nmsuedu, email admissions@nmsu.edu or call 800-662-6678 or 575-646-3121 to connect with an Undergraduate Advisor.

Send your admission application, official ACT or SAT scores and high school transcripts (or GED test scores) to Undergraduate Admissions. Find more detailed information at apply.nmsu.edu.

Freshman Admission Requirements

Students who meet the minimum high school course requirements listed in the chart below must meet one of the following criteria in order to be admitted:

- Cumulative high school GPA of 2.75
- Ranked in the top 20 percent of their graduating class
- ACT composite score of 21 or SAT score of 990 (SAT score of 1060 for new format)

NMSU uses combined scores from the critical verbal and math portions of the SAT for admission and scholarship purposes. NMSU will be taking scores from the traditional SAT and the new SAT format, which was launched March 2016.

Note: All entering freshmen must submit official ACT or SAT scores before final admission is granted. ACT code=2638, SAT=4531

NMSU’s Osteopathic Medicine Pathway Program

NMSU’s Osteopathic Medicine Pathway Program (OMPP) provides a unique opportunity for students interested in improving the well-being of the diverse population of the region.

Here, you will gain the fundamental tools and knowledge necessary to transition into the medical education program at the Burrell College of Osteopathic Medicine (BCOM) at New Mexico State University. Through our program, qualified students at NMSU will be guaranteed admission upon completion of all program requirements and undergraduate degree.

For detailed information on the program, go to ompp.nmsu.edu.

Exploratory Students

Choosing a major is a big step toward deciding who you will become after graduation. And sometimes, students are not quite ready to make that final decision. That’s OK. At NMSU, you can start as an Exploratory Student and delve into different degree options while taking courses that will help keep you on track toward earning your bachelor’s degree.

During your first year at NMSU, you will choose a meta-major to explore. Each meta-major is a broad cluster of degree programs with common academic foundations including courses such as English and math, as well as course options that facilitate the discovery of other disciplines. For detailed information on meta-majors, go to explore.nmsu.edu.

As you begin your journey, remember that academic advisors are here to assist you in developing your educational plan that will lead you to your academic, career and personal aspirations. You will meet your academic advisor during New Student Orientation. Learn about academic advising at advising.nmsu.edu.

Osteopathic Medicine Pathway Program

NMSU’s Osteopathic Medicine Pathway Program (OMPP) provides a unique opportunity for students interested in improving the well-being of the diverse population of the region.

Here, you will gain the fundamental tools and knowledge necessary to transition into the medical education program at the Burrell College of Osteopathic Medicine (BCOM) at New Mexico State University. Through our program, qualified students at NMSU will be guaranteed admission upon completion of all program requirements and undergraduate degree.

For detailed information on the program, go to ompp.nmsu.edu.

AT NMSU, WE OFFER NEW OPPORTUNITIES FOR EXPLORATION, INSPIRATION AND SUCCESS. ALL OUR PROGRAMS AND SERVICES, RESOURCES AND TOOLS ARE DEVELOPED WITH YOU IN MIND.

NMSU Navigators

NMSU is committed to your success! That is why we continually look for new and innovative ways to help you while you are here. As a freshman, you will be assigned a Success Navigator, a graduate student or staff member who will help you learn about academic, personal and career preparation strategies that support your academic achievement. They will answer questions, connect you with your academic colleges and campus resources, and assist with any challenges you might have as a new student.

You will meet your Student Success Navigator at Aggie Welcome and Orientation. For more information on the Navigator program, go to navigators.nmsu.edu, or call 575-646-1580. We can’t wait to meet you!

Transfer Requirements

If you have fewer than 36 completed college credit hours, you must fulfill the freshman admission requirements and have at least a 2.5 overall college GPA.

Dual Credit

If you participated in a dual-credit program in high school, then you will need to send an official copy of your transcripts from that college to the university. Aggie Pathway students may transition to the Las Cruces campus after successful completion of:

- 24 credits, in addition to any required developmental courses
- 2.30 cumulative college GPA

Students participating in the Aggie Pathway program can attend academic, cultural and athletic events on the NMSU Las Cruces campus. Students enrolling through NMSU Doña Ana have access to on-campus housing and dining. For more information, please visit our website at aggiewatikwa.nmsu.edu or call 575-646-8011.

Discover how you can bring science to your life in the College of Agricultural, Consumer and Environmental Sciences.

Working alongside renowned faculty and researchers, students have a multitude of opportunities to make an impact and improve lives in New Mexico, the nation and the world. Students have access to state-of-the-art technology such as a cutting-edge culinary lab, plant science research labs, a student-operated organic garden and multiple animal science facilities. With career paths as diverse as food science and agribusiness, plant breeding and fashion merchandising, our students are equipped with the necessary skills and tools to be leaders in their chosen fields.

ACES.NMSU.EDU

Priscilla Bloomquist

PROFESSOR’S HOSPITALITY REACHES BEYOND CLASSROOM

Priscilla Bloomquist, a professor in the School of Hotel, Restaurant and Tourism Management, was on the ground floor of what ultimately became one of the top programs in the country. Almost 30 years ago, Bloomquist made her way from Wisconsin to Las Cruces to assist in starting the now-famed HRTM program—the only such program in the state of New Mexico.

Her teaching awards are many and publications great, but her greatest impact has been the way in which she has challenged students to become more than they ever dreamed of being. Take for instance Catrina Miyazaki. With Bloomquist as a mentor, this recent grad was able to complete her HRTM bachelor’s along with two minors (marketing and business administration) in four years.

“NOW THAT I’M STARTING MY CAREER, I CAN HONESTLY SAY THAT WITHOUT PRICILLA, I WOULD BE VERY LOST. HER PASSION IS APPRECIATED BY MANY, AND I KNOW I AM NOT THE ONLY ONE SHE HAS TRULY INFLUENCED,” CATRINA SAID. ’16.
Neil Harvey  
INSPIRING A NEW GENERATION OF ADVOCATES  

Students with a passion for social equality have found a phenomenal teacher and mentor in Neil Harvey, government professor and department head. Originally from the United Kingdom, Harvey has been teaching at NMSU for more than 20 years, empowering students with the tools and knowledge to be able to make a difference in communities – especially for people suffering from injustices. He specializes in comparative politics, Latin America, Mexico and the U.S.-Mexico border, making NMSU and Las Cruces a perfect fit for Harvey.  

Throughout the years, many students have been influenced by Harvey, inspiring them to carve their own path to success. Ismael Torres ’17 is one of those students.  

“HIS COMMITMENT TO MY ACADEMIC SUCCESS AND PERSONAL GROWTH HAS SHAPED MY EXPERIENCE AT NMSU AND HAS HELPED ME DISCOVER A PASSION FOR ACADEMIA,” ISMAEL SAID.
With numerous scholarship options available for New Mexico first-time freshmen students, NMSU helps ensure an affordable cost of attendance.

For New Mexico residents, we have scholarship opportunities such as the President’s Associates Excellence Scholarship, Honors Excel Scholarship, Regents Success Scholarship and Legislative Lottery Scholarship, to name a few. New Mexico first-time freshmen scholarships are merit based. Your high school GPA and ACT/SAT scores will be taken into consideration when choosing recipients for our top scholarships.

It is important to remember that certain scholarships have different deadlines at NMSU. Complete your admission application, send high school transcripts and test scores and complete the Scholar Dollar$ application by the required dates listed in the scholarship grid at fa.nmsu.edu/scholarships.

†Prices vary depending on residence hall. Cost is the rate for double occupancy for academic year.
Students from outside New Mexico have many opportunities to attend New Mexico State University’s Las Cruces campus without the out-of-state cost. The Western Undergraduate Exchange, Colorado-Arizona Waiver and 135 Mile Texas Tuition scholarship waiver reduce the out-of-state tuition to an amount that is comparable to the in-state rate.

These tuition waivers are automatically awarded once admitted to NMSU. Another opportunity for nonresident students to reduce tuition is through the Out-of-State Competitive scholarship. Attending NMSU from out of state may not be as expensive as you think. Use the scholarship grid below to see what opportunities are available for you to study at NMSU.

In small, challenging classes, master teachers provide one-on-one attention, engage in lively discussions and lead collaborative investigation of interdisciplinary topics. We’re the first honors college in New Mexico. Join us and you will take part in innovative research teams, special seminars and workshops designed to help you meet your academic and professional goals. If you're up for the challenge, you will graduate with University Honors.

Discover your potential at NMSU’s Honors College. Located at the far west side of campus, the Honors College serves talented and motivated students from all majors across campus.
Add to Your Success
As you begin to calculate your next move, just know we will be there every step of the way. Our financial aid advisors will guide you through the financial aid process and help you find the best option that fits your needs. Grants, scholarships, work-study, waivers and student loans are available. Call 575-646-4105 or 877-278-8586, email financialaid@nmsu.edu or visit us at FA.NMSU.EDU for more information.

Begin Here
Start by completing the Free Application for Federal Student Aid (FAFSA) online at FAFSA.ED.GOV. Apply early! Deadlines are usually early in the year. Priority deadline for some limited funds is March 1.

Make sure to review your Student Aid Report (SAR), which is sent after the FAFSA has been completed. Your SAR contains the information reported on your FAFSA and includes your Expected Family Contribution (EFC). The EFC, a measure of your family’s financial situation, is used to determine your eligibility for federal student aid. Review your SAR information and make corrections or changes online at FAFSA.ED.GOV, if necessary. The school(s) you list on your FAFSA will get your SAR data electronically.

Award Notification
The award letter is your notification of aid for the upcoming academic year. You can access the NMSU electronic award letter to accept or decline your awards at MY.NMSU.EDU.

Terms of Your Award
• You must be classified as a degree-seeking student at NMSU to be eligible for financial aid. Students who are non-degree status are not eligible for financial aid.
• Your financial aid is awarded based on the information provided on your FAFSA. Financial aid awards are subject to change or cancellation due to changes in laws, regulations, appropriations, changes reported or discovery of data error.
• If you receive any financial assistance from an outside source that is not included in your award letter, you must inform Financial Aid and Scholarship Services as soon as possible.
• Check your MY.NMSU.EDU email account throughout the semester and during breaks. Official notifications that require timely responses will be sent only to your official NMSU email address.

Your Award Timeline
If you are awarded a grant, scholarship, waiver, or student loan, funds will be automatically credited to your account during the first week of school (funds will be applied to charges owed). If there are excess funds, NMSU will forward the funds to your direct deposit account or issue you a check. Submitting a late application may result in funds being delayed.

Part of your financial aid package may include a student loan. There are three types of Direct Loans: Subsidized, Unsubsidized and PLUS. To accept a Federal Direct Loan in your aid package, go to the Student tab in MY.NMSU.EDU.

Federal regulations require that all students who are borrowing a Federal Direct Loan for the first time, or the first time at NMSU, must complete Entrance Counseling and a Master Promissory Note (MPN) before any loans will be processed. Visit FA.NMSU.EDU/LOANS to learn more about student loans.

Satisfactory Academic Progress
Federal regulations require all students receiving federal financial aid to meet Satisfactory Academic Progress (SAP) in order to maintain eligibility for financial aid. Students are evaluated at the end of each semester in order to determine if Satisfactory Academic Progress requirements are being met. SAP requirements include:
• GPA Requirement: As an undergraduate student, you must maintain at least a 2.0 cumulative GPA.
• Completion Rate: You must complete 70 percent of all hours attempted.
• Maximum Time Frame: You must complete your program of study within 150 percent of the published length of the degree.

If SAP requirements are not met, it is possible to lose eligibility for federal financial aid. Visit FA.NMSU.EDU/SAP for more information on Satisfactory Academic Progress.
Robert L. Steiner  
PROFESSOR IS HEART OF PROGRAM

At NMSU, mentorship doesn’t stop with undergraduate students. Guidance and support is available to any student at any stage of their academic career. For instance, students seeking to pursue a master’s degree in applied statistics can rest assured that they will receive the utmost care from Robert L. Steiner, professor of applied statistics. Steiner, who is also program director, is the first person students are in contact with. His patience and gentle demeanor make it easy for students to approach him with questions or concerns. These are two excellent traits for a person who wears many hats within one department – he is a teacher, advisor and mentor.

“DR. STEINER IS A GREAT EXAMPLE OF OUR AMAZING MENTORS HERE AT NMSU. NO MATTER WHICH FIELD OF STUDY YOU ARE IN, YOU WILL FIND MENTORS WHO ARE PASSIONATE AND DEDICATED TO WHAT THEY DO,” SAID JUNXIN HUANG ’17.

NMSU’s College of Business is one of America’s leading business schools and discovery is our business.

Our students come from all over the globe, eager to make a difference. Our faculty members share vast expertise in numerous areas – global leadership styles, integrating indigenous ethics into business practices and marketing healthy food and lifestyles are just a few. Our graduates have a long tradition of transforming lives in their communities by building successful organizations. They’re loyal too: Many alumni give back to current students through scholarships, internships and mentorship.

BUSINESS.NMSU.EDU
COLLEGE IS LIFE-CHANGING. YOU MEET NEW PEOPLE. YOU GAIN PRICELESS KNOWLEDGE AND EXPERIENCE. YOU ALSO WILL NAVIGATE GREATER RESPONSIBILITIES. IMMERSE YOURSELF IN THIS NEW LIFE BY LIVING ON CAMPUS.

First-Year Residential Experience
At NMSU, we want to make sure that students maximize their success while at college. Our goal is to provide valuable resources and opportunities in order for every student to reach their potential, and that is why we have made a change to our requirements.

Starting in August 2017, first-time, full-time undergraduate students admitted to the Las Cruces campus will be required to live in a university-operated residence hall for the first academic year, or two semesters. Research has shown that when students live on campus, they gain many more benefits and rewards than those living off campus.

Students living on campus are more likely to:
- connect with campus services and take advantage of the many helpful resources available,
- participate in extracurricular activities/events that add to a greater college experience,
- perform better academically,
- graduate on time,
- stay on the right path to success without interruptions,
- create bonds with faculty and students that extend past graduation,
- explore a wider range of ideas and cultures,
- develop stronger interpersonal and communication skills, and
- be on time to class! On-campus living is convenient, allowing more prep time for class assignments.

Detailed information can be found on our website, housing.nmsu.edu/fyre, as well as approved exemptions for students with unique circumstances such as living with immediate family; residing with spouse, domestic partner or dependents; and financial or medical hardship that may prevent them from living on campus.

Comforts of Home
Our traditional residence halls offer a close-knit and safe community. All-inclusive amenities and utilities include:
- Air conditioning
- Cable TV
- Laundry facilities
- Fully furnished rooms (adjustable, loftable beds with modern, moveable and storage-friendly furniture allowing you to customize and maximize your space)
- Wireless and wired Internet connection
- Mail (all mailboxes are located in Garcia Hall)
- Access to live-in student and professional staff
- 24/7 professional staff member on call for emergency response
A Secure Environment

Safety and security is of the utmost importance to Housing and Residential Life. Our close working relationship with the NMSU Police Department includes a dedicated security staff that assists with monitoring residential communities. Community education about personal safety is key to residential student success.

Live and Learn

Living Learning Communities are a benefit you won’t find anywhere else in the local area. As a member of an LLC, you will live in the same residence hall and floor with other students who share common academic and social interests. LLCs offer opportunities for peer advising and mentoring, study groups, interaction with faculty and academic staff, and extracurricular activities and programs.

LLCs in Rhodes Garrett Hamiel Residence Hall
Engineering, Honors, Residential College, iD [Entrepreneurship], Pre-pharmacy

LLCs in Garcia Residence Hall
ACES (Agricultural, Consumer and Environmental Sciences), Business, Education, Fine Arts, Natural Sciences, Professional Golf Management™

Find Your Space

Apply for housing soon after being admitted to the university. Use your MyNMSU username and password to access the housing department’s online application system, MyHousing.nmsu.edu/myhousing. Visit housing.nmsu.edu for details and instructions.

DISCOVER DELECTABLE CUISINE

As a thriving NMSU student, you will want to take advantage of one of the many convenient dining options available on campus. Meal plans at NMSU offer variety, convenience and great taste. Find out more at DINING.NMSU.EDU

What are you craving?

You have your choice of Southwest favorites and international cuisine through locally owned restaurants and national chains. Taos Restaurant, our campus dining hall, features the variety students expect, such as made-to-order omelets and pasta, deli sandwiches, burgers, soups, a fruit/salad bar and stir-fry. How about a hearty home-cooked meal, vegetarian and vegan selections, or scrumptious desserts? With so much variety, you’ll never go hungry.

There’s an app for that!

Check hours and menu with a free app. Search for “Bite by Sodexo” in the App Store or Google Play. Enter menu code “P2AJ9”. The daily menu can also be checked online and recipes have been paired with the MyFitnessPal smartphone app for students to track nutrition.

New Mexico State University / Undergraduate Viewbook 2017-2018 New Mexico State University / Undergraduate Viewbook 2017-2018
American Indian Program
The American Indian Program provides programs and services designed to enable students to successfully achieve their postsecondary goals. The programs offer the following services to students: supplemental academic advising and guidance, scholarships, tutoring referrals, student orientation, peer mentor program, career guidance, resource materials and a computer lab. Black Programs
Black Programs offers student mentoring programs, individualized tutoring, academic and financial aid advisement, sponsorship for student organization(s) events, access to a computer lab/lounge to study and a welcoming place that African-American students can call home. Chicano Programs
Chicano Programs empowers student success through cultural literacy and professional development. Services include advocacy for academic, financial and life issues. Chicano Programs offer a computer lab and free printing of 50 pages per week, and supports seven Hispanic student organizations.
LGBT+ Programs
LGBT+ Programs is committed to the wellness and success of all students, faculty and staff in their expression of gender and sexuality at NMSU. LGBT+ Programs provides advocacy, resources, education and programming to the campus community. The facility includes a computer lab, LGBT-themed library and lounge. LGBT+ Programs exists to meet the needs of LGBT+ students and to welcome and encourage the expression and success of all students. The program’s mission is to promote inclusion and diversity at NMSU.
Campus Tutoring Services
Campus Tutoring Services provides afternoon, evening and weekend tutoring to NMSU students at no charge.
Math Success Center
The Math Success Center offers free tutoring for lower-division math and stat courses, math placement exams and a testing center that is used for a variety of math courses.
Career Exploration Center
Students can find information and guidance on careers and majors at the Career Exploration Center. The center provides individual career counseling and information about career interest assessments.
Writing Center
The Writing Center offers essay critiques, one-on-one grammar instruction, feedback and brainstorming assistance on any writing assignment.
Speech and Hearing Center
The Edgar R. Garrett Speech and Hearing Center offers year-round services by appointment. In addition to the services provided in its on-campus clinic, students and faculty regularly provide hearing, speech and language screenings for the Las Cruces Public Schools, Gadsden Public Schools, Doña Ana County Head Start, NMSU Myrna’s Children’s Villages, local day cares and Las Cruces Region Special Olympians.
Student Accessibility Services
NMSU is committed to providing reasonable accommodations for qualified students in accordance with state and federal laws. Student Accessibility Services at NMSU offers a variety of services to students with documented physical, learning or psychological disabilities.
NMSU Library
The NMSU Library offers access to rich content and research-level collections in two library facilities. Zuhl and Branson libraries house more than 1.8 million items and provide electronic access to scholarly journals and databases for both general academic and discipline-specific research. There are a variety of study areas available, including quiet and group spaces, some of which can be reserved. More than 100 PCs, scanners, laptops and other resources are available for students to use.
ICT Student Technology Resources
ICT Student Technology Resources is located in Hardman and Jacobs Undergraduate Learning Center. Students have access to computer labs, free printing, antivirus software and equipment rentals. In addition, students can get one-on-one help with myNMSU, Office 365 tools, downloading free Microsoft Office for personal devices and Canvas (online courses). Learn more at 575-646-4857. The ICT Help Desk, available at 575-646-1840 or help@mnsu.edu, provides technical assistance related to NMSU accounts, password resets, virus checks and connecting to AggieAir, the campus wireless service.
Career Services
Career Services offers career fairs, career advising, on-campus recruiting, practice interview sessions, résumé reviews and workshops. Information on work-integrated learning opportunities through student employment, internships and cooperative education (co-op) is available. The “Red to Green” Money Management Program conducts workshops, presentations and one-on-one sessions that provide students with skills to help them flourish financially.

College Assistance Migrant Program
NMSU’s College Assistance Migrant Program is a state and federally funded program to help migrant or seasonal farm worker students attend college. Our goal is to ensure each CAMP student graduates from NMSU with a bachelor’s degree by offering first-line support for CAMP students during their first year at NMSU. CAMP also strives to maintain communication with former CAMP students to guarantee that they receive the support needed in order to graduate from NMSU.

CAMP.NMSU.EDU

TRiO SSS
TRiO Student Support Services Program at NMSU is a federally funded program serving 350 participants. TRiO provides opportunities for academic development, assists students with basic college requirements and serves to motivate students toward the successful completion of their post-secondary education. Participants receive mentoring and tutoring services, and are able to participate in cultural/educational events, academic workshops and leadership development.

Military and Veterans Programs
NMSU is a military-friendly university. NMSU Military and Veterans Programs promotes lifelong learning and professional development for veterans and active-duty military and their families, assisting them in their higher education goals by offering in-state tuition rates for active-duty military personnel and dependents living at regional military installations; in-state tuition rates for veterans and their dependents who are eligible for VA education benefits; facilitation of all DOD Tuition Assistance Benefits; priority registration; student advocacy at every level; and a tradition of quality education. MVP offers a lab containing six computers, two of which have common access card readers.

Cooperative Education and Internship Program
NMSU’s nationally recognized Cooperative Education and Internship Program provides valuable learning opportunities in which the student, the employer and the university work together to achieve success. Experiences are available in a variety of areas, such as business, industry, government and nonprofit organizations. Co-ops and internships provide curriculum-related work assignments that will meet a student’s interests, abilities and career goals through paid full-time and part-time employment. Full-time students who are classified as sophomores or higher can apply for co-op/internship positions available for the spring, summer and fall semesters. Find out more at coop@nmsu.edu or 575-646-4115.

CAREERSERVICES.NMSU.EDU

Education Abroad
Your education is not limited to what happens on campus. Education Abroad programs will prepare you to be a global citizen and allow you to experience unique and life-changing opportunities. Study in any of the 60 participating countries around the world through semester and academic year exchanges, language immersion, faculty-led courses or summer programs. It’s never been easier to go global! Gain a different view of the world, enhance your leadership skills and increase greater career opportunities. You also get to use your existing financial aid, pay in-state tuition on many programs and have access to thousands of dollars in scholarships.

OEA.NMSU.EDU

National Student Exchange
Enhance your academic experience through a National Student Exchange, a study-away opportunity that allows you to gain culturally enriching and academically rewarding experiences within the United States (as well as Puerto Rico, Guam and the U.S. Virgin Islands). Nearly 200 universities participate in the program. From sea to shining sea, students live life from a different point of view. For more information, call 575-646-3200 or email nse@nmsu.edu.

NSE.ORG

After doing the Disney College Program and the Disney Professional Internship ... now I am even more determined than ever to make my dreams a reality.

- ANALICIA ALVAREZ, ENGINEERING TECHNOLOGY 2014, 2015 INTERNSHIP AT WALT DISNEY WORLD
Committed to providing access to excellent educational opportunities, the College of Education transforms lives through discovery.

We are a leader in teacher education (bilingual, multicultural, early childhood, elementary, secondary, special and physical education), leadership, mental health, (counseling, psychopharmacology, counseling and school psychology), communication disorders, kinesiology, athletic training and dance. Our five academic departments emphasize innovative practices, developing excellence and literacy for the area’s culturally diverse populations and partnering with communities to enhance the education and mental health of New Mexico’s children. Welcome to our engaging and supportive community – chart your pathway to success with us!

EDUCATION.NMSU.EDU

Debra Knapp
HELPING STUDENTS
FIND THE RIGHT PATH

Students who are moved by the rhythm of dance will gain a worldly education from Debra Knapp, a professor of dance at NMSU. A celebrated educator, Knapp has been on the dance faculties of several universities around the country and at the Palucca School Academy of Performing Arts in Dresden, Germany.

She is a professional dancer, choreographer and producer, having traveled the globe to impart her knowledge of and passion for dance. But her biggest impact is felt right here on campus. For Knapp, “being a mentor is about being open to the curiosity of students and being in wonder of their enthusiasm and passion.”

As she pursues her degree in dance, Carley Casey ’17 has found an outstanding mentor in Knapp. “She really does take us all under her wings – guiding us and challenging us. She provides us with the tools we need to grow in and outside of the classroom,” Carley said.
BEETWEEN SCHOOL, WORK AND YOUR EXTRACURRICULAR ACTIVITIES, BE SURE TO TAKE CARE OF YOURSELF. SEEK TO BALANCE YOUR TIME WITH SOME HEALTHY CHOICES. AT NMSU, WE PROMOTE WELLNESS OF THE BODY, MIND AND SPIRIT. WE STRIVE TO SUPPORT YOU WITH ACCESS TO THE BEST SERVICES, PROGRAMS AND FACILITIES BENEFICIAL TO YOUR OVERALL WELL-BEING. Healthy and Fit Aggies
The James B. Delamater Activity Center houses Recreational Sports, which includes Intramural Sports, Outdoor Recreation, the Aquatic Center and Wellness Programs. The Activity Center has separate areas for weights and cardio, racquetball courts, a climbing wall, dance studios, an indoor track, basketball/volleyball courts and indoor and outdoor cycling rooms.

Aquatic Center
The Aquatic Center houses a 25-yard indoor pool and an Olympic-size outdoor pool, which are heated and open year-round. Swim laps or jump off the 1- or 3-meter diving boards during our recreation time.

Get Certified!
NMSU Rec Sports provides certification courses in First Aid/CPR/AED, Lifeguarding, Lifeguard Instructor, Water Safety Instructor and Wilderness and Remote First Aid. All courses are American Red Cross certified.

Intramural Sports
NMSU offers competitive and fun individual, dual and team sports. Teams compete against each other within the NMSU community. You have your choice of sports including:

- Badminton
- Basketball
- Bowling
- Disc Golf
- Dodgeball
- Flag Football
- Golf
- Handball
- Ultimate Frisbee
- Kickball
- Ping Pong
- Racquetball
- Soccer
- Softball
- Volleyball
- Water Polo

Outdoor Recreation
Explore the Southwest! We offer opportunities to meet new people, see new places and have new and diverse experiences. Past Outdoor Recreation excursions and events include Carlsbad Caverns, skiing in Taos and an introductory course in climbing and backpacking for adventure enthusiasts. Outdoor equipment is available for rent in the Outdoor Center located in the Activity Center.

Campus Wellness
Choose your fitness path and transform into a new you! Fitness classes are available Monday-Friday and include aqua aerobics, body blast, body sculpting, cardio, indoor cycling, kickboxing, Pilates, yoga and Zumba.

Campus Health Center
The Campus Health Center is a nationally accredited outpatient ambulatory health care center offering services in acute care, mental health, women’s health, immunizations and health education. Our Campus Health Center offers:

- Urgent Care
- Pharmacy
- X-ray
- Laboratory
- Insurance Filing
- Referrals

NMSU Counseling Center
Counseling and Student Development offers a number of services to the campus community in the form of therapy, crisis intervention, consultation, career counseling, social work, outreach and mental health awareness. The Counseling Center has a range of counselors and psychologists that are here to assist NMSU students.
The largest engineering college in the state, NMSU’s College of Engineering launched in 1891, offering courses in civil and mechanical engineering.

We’ve grown into one of the nation’s best engineering schools and earned national rankings along the way. Our seven academic departments are home to programs you can’t find anywhere else in the state. Our distinguished faculty members uniquely combine engineering fundamentals and design with practical, hands-on experiences, giving our students a competitive advantage in the industry and advanced graduate studies. Our highly sought-after graduates work in business, government and academia across the world. Engineering is discovery!

ENG.R.NMSU.EDU

Reza Foudazi
PROFESSOR
ENGINEERS
OPPORTUNITIES

In the short time that Reza Foudazi has been at NMSU, he has opened many doors and introduced several undergraduate students to the discovery of new knowledge. In the last three years, 13 undergraduate students have gained experience in research thanks to the efforts of Foudazi, an assistant professor in chemical and materials engineering.

In addition to conducting high-standard research, these students have won different awards, fellowships and grants. For example, Jesus Au ’17 participated in a 10-week summer program with Foudazi at the University of Minnesota. The program provided opportunities for research experiences with the intent to extend and increase the understanding of materials science and engineering.

“DR. FOUDAZI IS A GREAT MENTOR. HE IS A PERSON WHO BRINGS THE BEST OUT OF PEOPLE AND HE VALUES HIS STUDENTS VERY MUCH TOO!” JESUS SAID.
Embrace the many opportunities to get involved on campus. We have many activities that will satisfy any of your passions, hobbies or pastimes. You will also find a community of friends from all over the world who share common interests.

From A to Z: 200+ Student Organizations and Clubs
Build friendships that last a lifetime through any of our student groups that range in topics from cultural and political to professional and sports-related. Find peers with similar backgrounds and interests, or make new connections.

CAMPUSACTIVITIES.NMSU.EDU

Greek Life
The Greek community is an active member of our student population. They are involved with many campus and school-related activities, and they hold their own events that benefit NMSU and the surrounding community. With 19 Greek chapters offering a unique and exciting college experience, you are sure to have an extraordinary time at NMSU.

GREEKLIFE.NMSU.EDU

ASNMSU – Your Student Government
The Associated Students of New Mexico State University enhances the college experience by providing valuable programs, events and services. All Aggies are encouraged to participate in ASNMSU sponsored events; you also can get involved with the inner workings of the group by becoming a member – freshmen, sophomores and transfer students can start through the Roadrunner Program. Take pride in knowing that your student government is here to serve students and the Las Cruces community through outreach activities and community service projects, such as Keep State Great, The Big Event and Crimson Cab.

ASNMSU.NMSU.EDU

Cultural Experiences
Be inspired by some of the best art, theater, music and dance available in the area. You’ll find a professional theater – ASNMSU Center for the Arts – concerts by local and touring musicians, art galleries and museums, films, symphony and opera performances, poetry readings and visiting speakers and authors. Students also can find a campus TV station and radio stations.

InterFaith Council at NMSU
The InterFaith Council at NMSU is a group of organizations that offer help in spiritual growth, support and guidance to students, faculty and staff. The council provides opportunities for those in the NMSU community to explore their own faith tradition and engage people from other faith traditions; they serve as a referral service for students, faculty and staff needing spiritual counseling. The council seeks to provide common ground for diverse faith traditions to express care and compassion to the NMSU and Las Cruces communities.

Discover new interests
Cheryl Lombardi

**NURTURING A NEW GENERATION OF HEALTH PROFESSIONALS**

Prior to 2013, Cheryl Lombardi was a fixture in the healthcare industry in Las Cruces. This Aggie alum worked at Memorial Medical Center, MountainView Regional Medical Center and the Rehabilitation Hospital of Southern New Mexico, all in different roles. Now as a college assistant professor at NMSU, Lombardi is sharing her knowledge and experience with many aspiring nurses. For the past three years, Lombardi has advocated and supported student achievements, and at times has offered comforting words during trials and tribulations. “Listening, understanding and supporting are important factors as a mentor and professor, as this enables students to continue moving forward and eventually graduate,” she notes.

Zack Wills ’16 is one of the many students at NMSU who has been “blessed with amazing mentors” like Lombardi. “She has enhanced my experience at NMSU simply by always being in my corner, always on my side,” Zack said.

## Our Mentors Care

The College of Health and Social Services prepares students to be highly qualified professionals.

Our degree programs lead to rewarding careers in a wide range of areas, such as professional nursing practice, advanced practice research, child protection services, managed care organizations, epidemiology and a variety of public health programs. CHSS graduates play a vital role in helping address the many health-related challenges facing our society today.

In addition, the college houses research institutes such as the Southwest Institute for Health Disparities Research, the Survey Research and Program Evaluation Center as well as the Southern Area Health Education Center, which provides health education to the border region. Find out where you fit in the College of Health and Social Services by visiting our academic advisors.

[HEALTH.NMSU.EDU](HEALTH.NMSU.EDU)
IT’S THROUGH TRADITION THAT WE TELL THE STORIES OF OUR PAST, HONOR OUR HERITAGE AND CELEBRATE THE FUTURE. BECOME PART OF THE SHARED EXPERIENCE!

NMSU Ring
Graduating NMSU students who purchase a ring can participate in a special ceremony held in the fall and spring semesters prior to graduation. After receiving their rings, students will wear them with the school name facing inward. After the granting of degrees at commencement, graduates turn their rings around with the school name facing outward, symbolizing they are now ready to face the world.

Noche de Luminarias
Noche de Luminarias takes place the first Sunday in December at the Corbett Center Student Union. Members of the NMSU community are invited to stroll around Corbett Center and the surrounding area at night by the glow of the 6,000 luminarias. Other activities during this event include horse-drawn trolley rides, caroling and other music.

Painting of the “A”
What started as a prank has become a long-standing tradition. In the early 1920s, students formed a bucket brigade up Tortugas Mountain and painted an “A” on the mountain. Almost a century later, students still maintain the tradition during the Greek event “A Day of Service.”

Crimson & White
Crimson and white are the official colors of NMSU. Crimson represents passion and vigor, while white represents goodness and purity.

Aggie Fight Song
Aggies, Oh Aggies! The hills send back the cry, We’re here to do or die! Aggies, Oh Aggies! We’ll win this game or know the reason why! And when we win this game, We’ll buy a keg of boozes, And we’ll drink to the Aggies ’Til we wobble in our shoes. A – G – G – I – E- S! Aggies! Aggies! Go Aggies!

The Big Event
The Big Event brings together students, alumni, faculty and staff in an effort to say thank you to the Las Cruces community for their support of NMSU. Participants volunteer with non-profit organizations.

Crimson Fridays
On Fridays before a sporting event, NMSU students and staff wear crimson in support of the Aggies.

Halloween Howl
Sponsored by Campus Activities and various student organizations, Halloween Howl is an alternative activity to trick-or-treating.

Homecoming Week
Homecoming occurs every year, mid fall semester. Throughout the week, events are held for students and alumni to attend. The week ends with a football game and the naming of the king and queen.

Keep State Great
Keep State Great takes place the week before Homecoming each fall semester. Students, alumni, faculty and staff commit their time to beautifying the campus with projects such as cleaning, painting and picking up trash.

“How Tough Enough to Wear Pink”
In the fall, the NMSU Aggies “Tough Enough to Wear Pink” campaign helps raise money and awareness for breast cancer research. NMSU sports teams support the cause by wearing pink uniforms, and fans are encouraged to wear pink as well.
SPORTS FANS OF ALL AGES CAN ENJOY HIGH-ENERGY EXCITEMENT AT ANY OF OUR SPORTING EVENTS. NMSU IS A MEMBER OF THE NCAA DIVISION I WESTERN ATHLETIC CONFERENCE IN 15 OF ITS 16 VARSITY SPORTS. NMSU FOOTBALL PLAYS IN THE SUN BELT CONFERENCE. FIND OUT MORE: NMSTATESPORTS.COM

Athletic Prowess
For the second season in a row, NMSU won the Western Athletic Conference Commissioner’s Cup. The cup is awarded annually to the school that performs the best in each of the WAC’s championships.

Men’s Basketball
Another outstanding season for men’s basketball concluded with its 28th season of winning at least 20 games. The Aggies represented NMSU at the prestigious National Invitational Tournament, continuing to showcase their exceptional skills.

Women’s Basketball
For the second time in NMSU history, the women’s basketball team had back-to-back 20-win seasons. The Aggies also won the Western Athletic Conference Championship for the second year in a row and received an automatic bid to the NCAA Tournament.

Women’s Golf
The women’s golf team won its third straight Western Athletic Conference Championship title, catapulting them into the NCAA Regional Tournament in Alabama.

Softball
For the second year in a row, the Aggie softball team secured the Western Athletic Conference regular season title.

Men’s Tennis
With its second Western Athletic Conference Championship win, the men’s tennis team earned an automatic bid to the NCAA tournament – in fourth time in program history. Four members of the tennis team were selected to the WAC All-Tournament team.

Women’s Tennis
The women’s tennis team completed another standout season, placing second in the Western Athletic Conference Championship. Two team members were named to the WAC All-Tournament team.

Volleyball
In one of the greatest seasons in program history, the volleyball team won the Western Athletic Conference regular season and tournament championships. The Aggies finished conference play 14-0, becoming one of only four teams in WAC history to go undefeated in league play.

Women’s Teams:
- Basketball
- Cross Country
- Golf
- Soccer
- Softball
- Swimming and Diving

Men’s Teams:
- Baseball
- Basketball
- Cross Country
- Tennis
- Indoor Track and Field
- Outdoor Track and Field
- Volleyball
- Football
- Golf
- Tennis
As you navigate through your academic journey, stay on track with the checklist below.

- **Apply for admission today**
  Apply online at [APPLY.NMSU.EDU](http://APPLY.NMSU.EDU). There’s a $20 non-refundable application fee.

- **Send us your transcripts**
  Have your high school counselor or registrar send your official transcripts to Undergraduate Admissions.

  Undergraduate Admissions  
  MSC 3A  
  New Mexico State University  
  P.O. Box 30001  
  Las Cruces, NM 88003

- **Submit your test scores**
  Send your official ACT or SAT test scores to Undergraduate Admissions at NMSU. NMSU’s ACT code is 2638 and NMSU’s SAT code is 4531.

- **Create your myNMSU student account**
  Gain access to your NMSU email and the Housing application by creating your myNMSU account. Go to [MY.NMSU.EDU](http://MY.NMSU.EDU).

- **Apply for housing**
  Find out which housing options best fit your needs. Once you’re admitted, apply for housing at [HOUSING.NMSU.EDU](http://HOUSING.NMSU.EDU). Find out about the First-Year Residential Experience at [HOUSING.NMSU.EDU/FYRE](http://HOUSING.NMSU.EDU/FYRE).

- **Complete your FAFSA**
  Find out what financial aid opportunities are available by filling out your FAFSA application! Complete the FAFSA at [FAFSA.ED.GOV](http://FAFSA.ED.GOV).

- **Apply for scholarships**
  One application for all of our scholarships – that’s all it takes! Fill out the Scholar Dollar$ application by March 1, 2017, to put yours in the running for college scholarships. Go to [SCHOLARSHIPS.NMSU.EDU](http://SCHOLARSHIPS.NMSU.EDU).

- **Make a reservation for your orientation**
  Aggie Welcome and Orientation programs are designed to provide you with information on essential student services, academic advisement and registration for classes. Visit [AWO.NMSU.EDU](http://AWO.NMSU.EDU) for more information!

---

When considering a university, you want to find the right fit. A campus visit can help you do just that. Join us at New Mexico State University and experience our vibrant and beautiful campus for yourself. Every visit is unique and designed around your specific academic interests.

Discover the possibilities at NMSU. Schedule your campus visit today! Go to [ADMISSIONS.NMSU.EDU/VISIT](http://ADMISSIONS.NMSU.EDU/VISIT) or email visit@nmsu.edu.

Every day we have students and their families visit our campus and have wonderful experiences while they are here. We want you to share in that same experience.

A campus visit is the best way for you to:
- Find out about admission and financial aid
- Meet faculty and staff
- Learn about our campus from current students
- Tour residence halls, dining facilities and recreational centers
